Applicants Name: Nevada Rangers Cowboy Action Shooters Society
Proposed Date of Activity: March 12-14, 2004
Location of Activity: Jean shoot site
BLM Contact: Bob Bruno (702) 515-5078

Description of Activity:

The Nevada Rangers Cowboy Action Shooting Society has proposed their annual "Stampede 04" competitive shoot, March 12-14, 2004, at the Jean shoot site.

The competitive shoot would consist of a short range rifle, pistol, and shotgun target shooting. All firearms would be civil war era to turn-of-the century, including some black powder weapons, breech and lever-action loading rifles, side arms, pump shotguns, and other smokeless powder weapons of the era only. Competitors would fire at iron silhouette targets at very short range, as well as a long rifle range. Strict firing line management would be according to the single Action Shooting Society (SASS) Rules, and monitored by a qualified Range Master and Safety Officer.

The club anticipates 200 participants and 10 vendors over the three day event. All targets, and trash would be removed prior to leaving the site.

Legal Description:

T. 25 S., R. 60 E., Section 7
